

## **1<sup>st</sup> Annual Lander University Prospect Showcase**

On November 21st, 2009 the Lander University Baseball program invites you to attend our first Lander University Prospect Showcase. We will only open this to 2010 and 2011 high school graduates. Players from all over the eastern part of the country will be in attendance. We will also invite several area colleges to be in attendance.

The registration fee is \$50. We want this to be a recruiting tool for our program and not a money maker. Each athlete will be provided with a camp t-shirt. Our sign-in time will be at 8:30 a.m. on the 21st. The check-in area will be directly in front of the baseball field. Depending on the number in attendance, the end time could vary. We will probably shoot for 2 p.m. for the prospect showcase to end.

The actual showcase will consist of a full evaluation, pro-style workout. 60 time, infield play, outfield range and arm-strength, Batting Practice on the field, and live bullpens. We will do a little more with the workout than most pro-styles do in order to see as much as we can of each player's ability level.

Attached to this letter you will find the prospect showcase profile sheet. If you plan on attending, please fill out the profile sheet and either e-mail it to me or mail it to me and send payment as soon as possible. Showcase spots will be limited. We expect to have a full roster. On return, please attach the profile sheet with a check made to "Bearcat Baseball Camp" payment will be non-refundable. You can e-mail the profile sheet back to us. We are excited about our inaugural showcase and the fact that it will bring many talented athletes to our campus. We look forward to seeing you here.

Sincerely,  
Chris Anderson  
Pitching Coach/Recruiting Coordinator  
Lander University
