

2008-2009 Overpayment of Federal Student Aid Funds Resolution Required

We are unable to continue processing your 2008-2009 application for financial aid due to a problem with your FAFSA/Student Aid Report (SAR).

The National Student Loan Data System (NSLDS) indicates that you have received at least one overpayment of Federal student aid funds. You are required by law to repay any funds received from the federal student aid programs to which you were not entitled. You are not eligible to receive any federal student aid until your overpayment has been resolved.

You will need to refer to your FAFSA/Student Aid Report at www.fafsa.ed.gov, which lists who you must contact to resolve the overpayment. If contact information is not provided on your FAFSA/SAR, you may access your federal aid information on-line at www.nsls.ed.gov (Financial Aid Review) using your U.S. Department of Education PIN.

Once you have made satisfactory arrangements and have cleared your overpayment status:

1. Complete this form.
2. Attach documentation confirming resolution of your overpayment status.
